STEP 3

After this screen you should be prompted to create your user name and password. These are case sensitive.

Some things to note:

Once you log in, on the left hand side on the screen you will see a tab that says "Account Management", click it and do all those security activities.

The screenshot shows the Infinite Campus user interface for John C. Doe. The user is logged in as John C. Doe, a student at 16-17 Lakeside High School. The interface includes a navigation menu on the left with options like 'Leif', 'Calendar', 'Schedule', 'Attendance', 'Grades', 'To Do List', 'Reports', 'Family', 'Messages', 'Discussions', 'User Account', 'Account Management', and 'Notification Settings'. The 'Account Management' tab is highlighted. The main content area displays 'District Announcements - 4 messages (1 new)'. The first message is dated 07/26/2016 and is marked as 'NEW'. It states: 'The On Line Registration option is for Region 5 schools only. Parents/Guardians must present required documents in person at the registration site located at McNair HS, 9th grade Academy Bldg. This registration pilot is for students new to Region 5 schools and students transferring to Region 5 schools due to an address change. Region 5 schools include: Cedar Grove ES, Oakview ES, Cedar Grove MS, Cedar Grove HS, Columbia ES, Snaphinger ES, Toney ES, Columbia MS, Columbia HS, Barack H Obama ES, Flat Shoals ES, Kately Lake ES, Mollair ES DLA, McNair MS, Mollair HS, Canby Lane ES, Peachcrest ES, Rowland ES, Bethune MS, Towers HS'. The second message is dated 02/29/2016 and is marked as 'URGENT - Clear your browser history'. It states: 'Infinite Campus applied a new release as of February 28th. To prevent receiving errors, you must clear your browser history immediately. Click here for instructions on how to clear browser history.' A red 'act now' button is visible next to this message. The third message is dated 02/23/2016 and states: 'If you do not have access to all of your children when logging into Infinite Campus, click the link below and complete the electronic form. Please allow 76 business hours for this to be processed. Combine Student on Portal Form'.

If you skip this Infinite Campus will **lock you out after your 3rd log in** and Mr. Banderas or your child's counselor will have to reset your password. Once you have finished setting up your account you can then use the app on your smart phone. You cannot access account management through the app. This must be done through the Infinite campus website

You can download the Infinite Campus app for free through the app store. The first thing the app will ask you for is the District code. It is FLZLHV. Once you put in the district code you can log in like you would on the web site. You may set up the app to send you notifications any time a teacher posts grades and/or attendance. If you need any further assistance please contact Mr. Banderas.
